

Dear Fellow ITE Member Consultant and Vendor:

On behalf of the Local Arrangements Committee (LAC) for the 2019 Northeastern District Annual Meeting to be held on May 8 through 10 in New Haven, Connecticut, I would like to welcome you and your firm to participate in sponsoring the exciting technical programs, social events and networking opportunities that are now being planned for the Annual Meeting. The 2019 Annual Meeting will be held in conjunction with the meeting of the ITE International Board of Directors (IBOD) and will feature a full technical program, training and an exciting social program that will showcase the cultural offerings of New Haven, affectionately known as the Elm City. This year the IBOD meeting will overlap with the District Annual Meeting on the first day and, therefore, we are projecting a larger than usual attendance for this District meeting. With this in mind, the LAC is developing an expanded meeting program that will feature new and exciting additions to the traditional meeting offerings. In order to advance these efforts, we are initiating the consultant support request earlier than previous District meetings.

Consultant and vendor support through sponsorship of the Annual Meeting is important to improving and enhancing the meeting program and social activities, both of which make these events memorable for all attendees. It is for this reason that we are asking that your firm consider sponsoring the 2019 Annual Meeting. Your sponsorship will help defray meeting expenses and allow for registration costs to be maintained at a reasonable level for attendees.

Four levels of sponsorship are being offered for the 2019 Annual Meeting. Sponsoring firms and vendors will have their logo prominently displayed on the meeting website, in the Annual Meeting program and on promotional materials and displays, with **Platinum** level sponsors receiving one (1) vendor booth and two (2) full conference registrations with their sponsorship, and **Gold** and **Silver** level sponsors receiving one (1) full conference registration. In addition, separate sponsorship of events at the Annual Meeting is also being offered. As an incentive for early sponsorship commitments, the first two (2) **Platinum** level sponsorships will have their company name or logo printed on the meeting lanyards.

Thank you in advance for your sponsorship and we look forward to seeing you in New Haven.

Sincerely,

Jeffrey S. Dirk, P.E., PTOE, FITE
Principal
