

November 17, 2021

Dear ITE Consultant:

After postponing in-person District meetings the past two years, we are very pleased to host the **2022 ITE Northeastern District Annual Meeting** in Ithaca, NY! It will be held May 11th through May 13th at the Hotel Ithaca, NY. We will have informative technical sessions, a golf outing, several networking opportunities, and more.

Our meetings are not possible without support from our consultants. Consultants of the Northeastern District sponsor the Annual Meeting each year by lending their financial support to defray some of the conference expenses. This keeps registration costs down so that more members will be encouraged to attend.

We are asking each Consultant interested in sponsoring the conference to show their support with a contribution based on the levels attached. At this time, we are asking that you let us know your *intention* to sponsor the event and what level you will be supporting. Please complete the attached form and return it with your company logo by February 4, 2022. Payment may follow (check or PayPal) but is appreciated by February 11, 2022.

We are looking forward to a great meeting and please join us in supporting this exciting professional event. Thank you for your generosity and I hope to see you in Ithaca...it is **GORGES!**

Sincerely,

Mark C. Budosh, P.E.
Barton & Loguidice
